Re: Amended July Monthly Report (6/1/08 to 6/30/08) Filed 10/27/08

Dear Mr. Buckley:

In responding to your letter dated December 3, 2008, regarding the Amended July Monthly report, we have reviewed report and submit the following explanations for the items mentioned below:

In early July Ms. Stai received a letter from our Victory Chairman, Roger Williams, notifying her of the excessive contribution to the Federal account and was informed at that time that she was entitled to a refund if requested and was also asked to transfer her contribution to the Levin account. We received a letter from her dated July 23, 2008, granting us authorization to transfer the contribution to our Levin account. The transfer was made on July 23, 2008 and reported on the August Monthly Report.

Respectfully submitted, Wayne Tucker, Treasurer
